The aforementioned patents and publications were cited by either applicants or the Examiner in parent Application No. 10/160,390, filed May 31, 2002. Accordingly, pursuant to 37 C.F.R. § 1.98(d), no copies are enclosed.

It is respectfully requested that these patents and publications be (1) fully considered by the Patent and Trademark Office during examination of this application; and (2) printed on any patent which may issue on this application. Applicants request that a copy of Form PTO-1449, as considered and initialled by the Examiner, be returned with the next communication.

Applicants in particular would like to advise the Patent and Trademark Office that the documents listed in Group B are being cited because they were cited by a third party in an opposition proceeding in the Australian Patent Office in connection with a related Australian application.

An early and favorable action is respectfully requested.

Respectfully submitted,
